5) The Labour Welfare Board have requested to that provision may be made for the special Representation of Labour in Municipal Councils of every Industrial Town in the State

6) In G.O. dated 21-10-32 issuing instructions re nominations to Local Bodies, there is provision for the nomination of special interests such as Labour, industries maternity and child welfare Etc

7) If there is reservation of seats for any particular interest on the local bodies, the other interests or the minority communities will probably claim similar concession and this would perhaps create some practical difficulty in providing seat for all of them.

8) As there is provision under the G.O. referred to above to nominate the representatives of labour as members of the local bodies, there does not appear to be much need for reserving seats for giving them representation

[illegible] reference is invited to Hon'ble Minister's Govt to the issue of Local Boards [illegible] representation to Labour is recommended to be given

There are two out of eight Town & two Municipalities under the Kolar Family Board

In regard to the Kolar Family Board the Board have agreed to give one seat to Labour at its next reconstitution in December 1943

In regard to the other two Municipalities, the [illegible] dated 17/21 x 1932 makes the necessary provision for the representation of special interests - Labour & Planters

This arrangement for nominating persons in such cases appears to be

sufficient for the present. All that is required to be done is that, while reconstituting these rules, it may be borne in mind that as far as possible a seat may be given on the Council to representatives of labour-unions.

In reply to the Municipal Workmen's Association, the Secretary concerned may be instructed accordingly.
